Road Rally Report

Sunday, May 27 th INR hosted it's first Road rally event of the season. 5 teams in total participated in the event. The 61.7 mile route was designed by Justin Ritter and his co-hosts Jeff Tompkins and Bree Oliver. The winning team of Sean Najarro and Anthony Mattrols took their time but came in with a final mileage of 62.4. Only 0.7 miles over the mark! A close second was the team of Brandon Mihal and his brother Adam. They ended with a mileage of 60.5 miles, a mere 1.2 miles off. We would like to thank the rest of our participants and our picnic host James rose. The next rally will likely be towards the end of July.
