

May 2014

Hello INR members and fellow racers!

I'd like to start this newsletter by thanking all those that attended our rather cold first event! We had an impressive sixty drivers! Although the weather was cold, and the grip was low, we all had a great time knocking off the cobwebs that built up during the off season! The INR board members have been working towards fine tuning our events to help improve the experience. If you have any suggestions that you believe will help, please use [our contact form](#) to submit your ideas.
